JUDGMENT

In all these Writ Petitions, the prayer was to permit the petitioners to participate in various events at the 10th Higher Secondary State Youth Festival, even though they were not first prize winners. The claim appears to have been made based on orders in appeal which is not passed in accordance with norms, is the case of the respondents. Government Pleader reported that under compulsion some of the petitioners were allowed to participate to avoid trouble and the result is not published. In any case, since publication of the result is not the issue in these Writ Petitions, these Writ Petitions are closed leaving the issue open for the petitioners to contest, if so advised.
